FYI – inquiring minds want to be sure you and yours are looped in. I think Linda touched base yesterday, but checking bc Carolyn wants to be sure LCARD is included and has an opportunity to comment.

Hi Carolyn, I have been coordinating through SEMD, but I know they have reached out to LCRD. It may only be at staff level at LCRD, but the I believe the SEMD Division Director has seen it

Thanks everyone! I might have missed this in the earlier email string, but did you confirm that the Region 9 LCRD folks have reviewed and approved this?

I added a few more ORCR folks to this email. For ORCR folks' background, in response to the OSRTI Hot Sites briefing with the OLEM IO that I attended the other day, we agreed to send a one-pager to the Administrator about the situation at this site.
